TO WHOM IT MAY CONCERN

This is to confirm that during 1991 David Lowe - Lowangle Productions - produced for the Conflict Resolution Service a community service announcement for Television.

David consulted with the service, sought and gained funding, scripted and adapted the announcement in consultation with us, and provided the final tape for broadcast. David was always responsive to our unique needs, which he understood exceptionally well.

The community service announcement has been very well received both by the television stations themselves and by the community at large. By all reports the tape is technically excellent - as well as entertaining and informative.

Yours faithfully
